Good Morning Amy,

After some discussion and testing we believe the simplest way to connect you to the briefings via video conference is to use EPA's Skype for Business. I understand you would like to be connected into a meeting at 3:30 pm this afternoon. I have included a link to the on-line meeting below. To join the meeting click on the link, and follow the prompts.

I would like to set up a time to test with you today prior to the first briefing. Please let me know if you have availability for a quick walkthrough. I am free anytime between now and 2:00 EST. I can be reached at [202-566-2843](tel:202-566-2843).

Please note you will have to access the link below from a computer (it will not work on a mobile device). The computer also needs to have a webcam and microphone to allow video and audio. Your GSA furnished laptop should work. If you cannot access this e-mail on the computer you would like to use, simply type this address. Detailed step by step instructions are included below.

Thank you,

Laura

Steps for Connecting:

1) Click on the link or type

Ex. 6 - Personal Privacy into your web browser.

→ Join Skype Meeting

This is an online meeting for Skype for Business, the professional meetings and communications app formerly known as Lync.

2) On the next screen you will be prompted to

1. Download and install and Add In, this only needs to be done the first time

2. Then you will need to click Join the Meeting.

3) Enter your name as guest

4) Click join full audio

5) Once in the meeting you will have the option to start video.

[phone list for acting AAs RAs.docx](#)

Hi everyone, welcome (soon) to EPA!

Per our conversation with Don on Wednesday, we will see you all at EPA HQ at 12th & Pennsylvania Ave NW this Saturday at 12:30 pm. You will enter through the NORTH building entrance, which is at the top of the Federal Triangle metro escalator. Donna Vizian will be there to greet you and provide you with your temporary badges.

We will then go upstairs for quick swearing in (so you will become official EPA employees) and meet-and-greet with a handful of us, before setting up your workspaces and IT equipment.

For your reference, here is a list of EPA staff who will be there on Saturday:

- Catherine McCabe - Acting Administrator
- Mike Flynn - Acting Deputy Administrator
- Donna Vizian - Acting Assistant Administrator for Administration & Resource Management (HR, Facilities, Acquisition)
- Karen Higginbotham - Director, Executive Resources Division (HR)
- Steve Fine - Acting Assistant Administrator for Environmental Information (IT), plus support technicians
- Shannon Kenny - EPA Transition Director & Acting Associate Administrator for Policy, plus staff
- Nancy Grantham - Acting Press Secretary

We have planned three meetings in addition to helping you all get situated. We will leave it to Don who attends each. They can happen sequentially or simultaneously.

- General Discussion with Catherine & Mike
- Regulatory Status Discussion with Shannon
- Communications Discussion with Nancy

For your reference, I am also attaching here a phone list for all of the acting AAs and RAs - these

are the most senior career people in each program and region, who are filling in until the senior political appointee spots are filled by the incoming President.

We look forward to meeting you all and planning for the time ahead.

phone list for acting AAs RAs.docx
ATT00001.txt

Myron,

In advance of our meeting with Don and Charles tomorrow, I wanted to share a list of key questions for Don's team, in hopes we can discuss the answers at our meeting:

- Is our list of 13 beach head team members (below) accurate and up-to-date?
- What is the preferred start date (Friday, Saturday or Monday) of each team member?
- What kinds of support will the team need on Friday-Sunday, and which key career managers will you need available in person?
- On Friday, would you prefer to be sworn in and work at the GSA building at 1800 F St NW or in EPA's East building at 12th St & Constitution Ave NW? According to the Secret Service, we will be allowed to enter EPA's East Building, but the closest open metro station will be Foggy Bottom, a 1.5 mile/30 min walk.
- Are there any briefings, introductions, or other meetings you would like us to arrange for Monday or other times during your first week?

Here is the most recent list of beach head team members we have received:

1. Don Benton
2. Holly Greaves
3. Justin Schwartz
4. David Kreutzer
5. Patrick Davis
6. Joseph Desilets
7. Charles Munoz
8. Roger Martella
9. David Schnare
10. George Sukiyaama
11. Layne Bangerter
12. Brian Dansel
13. Doug Ericksen

I have attached the final list of mobile phone numbers for all of the career officials who will be acting in Associate/Assistant/Regional Administrator roles on January 20 at noon, unless action is taken by the incoming President.

Thank you,
Shannon
